

How to disconnect and reconnect Suite360 in Broker Engine

1. Login to BE
2. Navigate to settings
3. Click Integrations
4. Disconnect Suite 360
5. Connect Suite 360

The screenshot shows the 'Integrations' section of the Broker Engine settings. The left sidebar has 'Integrations' highlighted. The main content area lists various integrations. The 'Suite360' integration is expanded, showing a 'Suite360 Integration' card with a 'Disconnect' button circled in red. Below this is a 'Credit Guide and Privacy Consent' section with a toggle switch and a 'Download' button.
